

GFMAM

Global Forum on Maintenance & Asset Management

JOIN US FOR THE LAUNCH OF GFMAM LANDSCAPE VERSION 3!

This new version is updated to align with changes to ISO 55001: 2024 and has ordered the asset management thinking systems into seven easy to read groups to help in vital business thinking:

1. Context and Stakeholders
2. Governance
3. Asset Management Planning
4. Leadership and People
5. Data and Information
6. Delivery
7. Value Realisation

Be one of the first to find out new, updated and deleted items from John Hardwick and Dave Daines, the expert team involved in the global revision, with your chance to ask questions.
